

IQ Combiner 3P EU

# Installation simplified

The IQ Combiner 3P EU consolidates interconnection equipment into a single enclosure and streamlines solar and storage installations leading to significant installation time savings.

### All-in-one solution

- A pre-wired plug-and-play solution with IQ Gateway Metered, IQ Relays, Communications Kit, breakers, and an RCD
- Consolidates required system components into one box

### Installation simplified

- Easy wall mounting
- Top cable entry for all field wiring
- Significant installation time savings

### Hassle-free metering

- Pre-installed Production CTs
- Quick installation of Consumption CTs with push-in terminals

# Warranty

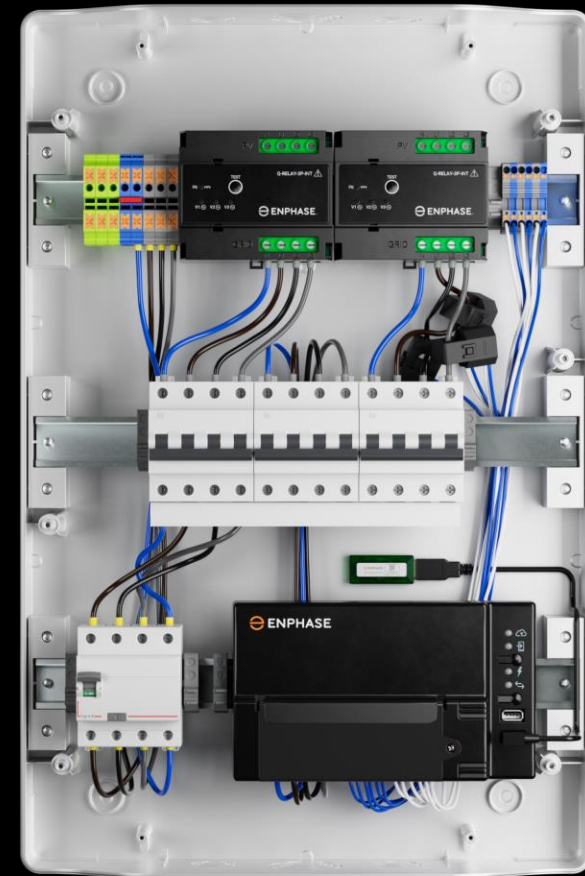

Enphase  
**5**  
year limited  
warranty

IQ Combiner 3P EU is covered with a 5-year limited warranty

# What's in the box?

- 1 x IQ Gateway Metered
- 2 x IQ Relay 3P
- 1 x Communications Kit
- 3 x pre-wired production CTs
- 3 x consumption CTs
- 2 x Solar/storage breakers
- 1 x IQ Gateway breaker
- 1 x RCD
- Terminal blocks and accessories
